Once entering campus, follow the signs to enter the front drive at our Lower School. Camp staff will be available and prepared to greet your campers with excitement for the day ahead. Parents may drop off 15 minutes before the start of camp unless their camper is enrolled in before-care. Please remain in your vehicles during drop-off and move through the line as quickly as possible.

### Pick Up

Camp dismissal will also take place curbside for your convenience. Prior to the start of camp, your family will receive an email with more details about our dismissal process.
